School Board Meetings

The Glenwood Community School Board of Education holds its regular monthly meeting at 7:00 p.m. on the second Monday of the month. These meetings are open to the public. Individuals or groups who wish to place an item on the agenda should do so by contacting the superintendent. Please be aware that it occasionally is necessary for the Board to schedule their regular monthly meetings on an alternate date. The meetings are held at the Glenwood Community High School, 504 East Sharp Street, Glenwood, in the media center, unless otherwise noted.

The Glenwood Community School Improvement Process is a cycle. The cycle includes data analysis, identifying needs, setting goals, establishing action plans, and evaluating progress. Improving student learning is a priority in our district.

District-Wide Assessments for 2017-18

Iowa Assessments for Grades 2-11, are scheduled for April 9-13, 2018, with make-ups scheduled for April 16-20, 2018. Open ended performance assessments in the areas of reading, math and science for grades 7 and 8 will be given during the school year. The ASPIRE test, which is a college readiness test, will be given to all 10th graders.

IMPORTANT NOTICE – Kindergarten students and students new to the district must have birth certificates on file and all immunizations must be up-to-date.

Students entering the 7th Grade must have received the Tdap vaccine or have a waiver on file as required by the Iowa Department of Public Health. Failure to provide a record of this vaccination prior to the first day of school could mean your son / daughter will not be allowed to start school.

Kindergartners and 9th grade students must have a dental screening. The screening must occur no earlier than 1 year prior to enrollment and no later than 4 months after enrollment. Screenings can only be performed by a dentist or a dental hygienist.

Mentoring with Heart

Glenwood Community School District offers school-based mentoring services for our youth. We need volunteers to serve as mentors! Mentoring takes place at school and is no more than 1 hour per week.

A mentor provides a young person with support, guidance and friendship. Mentors are good listeners, people who care, people who want to help young people bring out strengths that are already there. Things that may seem easy or straight-forward to you are often mysterious to young people. That's why it can be easier than you think to be a mentor and make a difference in a young person's life.

If you are interested in becoming a mentor or you would like your child to have a mentor, please contact Central Office for Coordinator contact information.

Ramily – Ramily Matters was founded in 2016 to help our GSCD families feel more connected to each other, to our community, and to the school district. In Glenwood, we want our families to feel that school is an extension of their family life. Sarah Rozniecki and Liz Sutherland are our visionary Ramily leaders, and bring great energy, support, and helpful resources to families in our community!

The monthly Ramily Matters events are open to any and all district families with kids of any age. Each event begins with a family meal at no charge, a free book for each of your children (they get to pick!), and also includes free childcare for children who are too young to participate! Following the meal, parents and students participate in a variety of interesting and engaging skill-building activities that support both personal and family development.

If you follow RAMILY MATTERS on Facebook, you'll have easy access to the details of each month's event, as well as many other useful resources that Liz and Sarah share with Ram families.

We are the Rams, and we are proud to be! We hope that you'll take advantage of all the family resources and support that is available to you through Glenwood's Ramily Matters program!

Important Notice

The Iowa Department of Public Health has made changes to the Iowa Immunization law for the start of the 2017-18 school year. This change requires all students entering 12th grade have a Meningococcal vaccine before school starts this fall.

Meningococcal disease is a life threatening illness that is caused by by bacteria that infects the brain, blood, and spinal cord. It easily spreads in crowded settings. This vaccine will be required before both the 7th and 12 grades. **Two meningococcal (A,C,W,Y) vaccines must be received for students entering the 12th grade if born after September 15, 1999; or 1 dose if received when applicants are 16 years of age or older unless the student has a Certificate of Immunization Exemption.**

Proof of the vaccines must be received by the school before the first day of school in August, unless the student has a Certificate of Exemption. There will be **NO** grace/extension period for the implementation of the requirement. **Students will not be allowed to start school unless the school has received proof that the vaccines have been obtained.** You may drop off a copy of the new immunizations to the school office or have them faxed to the office at 712-527-3411.

Now is a great time for your child to receive these immunizations and beat the back to school rush by making an appointment for your incoming 12th grader. If you have question, do not hesitate to contact Katie Kelly, BSN, at 712-527-4897 ext 6006 or 712-527-4887 ext 4214. Thank you for your time and attention to this requirement.

**New and Existing Student Registration: Thursday, August 10, 2017 – 2:00 - 7:00 p.m.
Middle School Commons - 400 Sivers Rd., Glenwood, Iowa, 51534**

We want to make sure all of our high school students new to the district feel welcome on their first day. Families new to the district may call 527-4897 and set up an individual registration appointment that will ensure time for any questions and/or concerns to be addressed.

A current record of immunizations **must** be on file for every high school student. All 9th grade students and any students new to the district **must** have a dental screening. Forms are available at registration or in the high school office.

Northeast Early Childhood Programs

The Glenwood Community School District offers several preschool programs for children within the district. These programs are nationally accredited by the National Association for the Education of Young Children, a stamp of quality in early childhood education. The preschools offer developmentally appropriate, Creative Curriculum based on active, hands-on learning in a safe environment. The preschool staff is committed to supporting each child's development by helping children live and work cooperatively by promoting their self-esteem, and by providing support for their families. Parent/family involvement, health and safety, medical/dental services, nutritional services, developmentally appropriate programming, and human services make up the services that the district will strive to provide for children and their families in these programs.

Half Day Preschool

These programs serve early childhood students with special needs and normally developing peers. **The preschool follows the Glenwood Community School District's calendar year.** The programs offer a.m. and p.m. half day sessions. Children are registered on a first-come, first-served basis serving all four year olds as first priority. If you need more information, contact Jane Brown at 527-4875.

Full Day Preschool

We also offer a full-day preschool for children who are four years of age on or before September 15 of the current year AND who meet specific criteria. This program meets four days per week from 8:00 a.m. – 3:15 p.m. Children are enrolled on a first-come, first-to-qualify basis.

Preschool students must have all immunizations up to date prior to the first day of school. If you have any questions, please feel free to contact Shari Gregory, School Nurse, at 527-4875.

PROGRESSIVE LEARNING CENTER – 400 Sivers Road - 527-3034

Director – Cindy Menendez – (menendezc@glenwoodschoools.org)

Secretary – Mary Beth Ingels-Day

The Progressive Learning Center is located in the brick building behind the Glenwood Middle School, which is located at 400 Sivers Road. The PLC houses the Glenwood Community School District Student Services/Special Education Office. The Alternative High School Education Program and APEX Regional Children's Program grades 6-12 are both located at this site.

Alternative High School Program

Students who meet eligibility requirements must complete an application and an interview process prior to becoming eligible for attendance at the alternative program.

Alternative High School Parent and Student Orientation – Tuesday, August 15, 2016 – 6:00 p.m. in the Alternative Education Classroom located in the Progressive Learning Center.

KID'S PLACE - 103 Central - Suite 100 - 527-5264 or 527-5265

Administrator – Mr. Devin Embray

Director – Rhonda Maiers

Secretaries – Connie Sperling and Kim Arnold

Kid's Place is a non-profit enterprise of the Glenwood Community School District providing licensed day-care to children in our community. It is located on the campus of the Glenwood Resource Center in Building 103 Central. Operations are governed by the Board of Education and a Parent Advisory Board. All staff is certified in first aid and CPR.

The programs, which are currently at Kid's Place, are described below:

Infants

Kid's Place provides nurturing quality care for infants from 6 weeks to age 2. The schedules are based on the infant's individual needs.

Tykes

The Tykes program offers recreational day-care to children who are 2-5 years of age in a structured environment. The schedule allows for a variety of activities; and the flexibility to adapt to individual needs. The children discover and learn as they experiment in centers, small and large group activities, and in play.

Kid Care

Kid Care provides daycare for school age children before and after school, early dismissals, vacation days, and summer vacations. Kid Care is a recreational extension of the school day.

GENERAL INFORMATION

Activity Tickets

All students may purchase activity tickets for \$40.00 at their school's office. These tickets are good for the entire school year. **Students will be required to show their activity passes prior to being admitted to school sponsored athletic events.**

Damage of School Property

All students are expected to use school property in a respectful and responsible manner. Parents are encouraged to support such expectations. Students who are responsible for damaging or destroying school property will be assessed the replacement cost of the property damaged or destroyed.

Student Insurance

THE GLENWOOD COMMUNITY SCHOOL DISTRICT **DOES NOT** PROVIDE ANY TYPE OF MEDICAL INSURANCE COVERAGE FOR STUDENTS WHO ARE INJURED WHILE ON SCHOOL PROPERTY. If parents/guardians want medical insurance for their child, it is their responsibility to purchase such insurance. Parents/guardians may purchase medical insurance from any agent they choose. The Glenwood Community School District's only role in making insurance available is to distribute application forms for supplemental insurance.

Parents who need insurance for their children are also encouraged to investigate the HAWK-I Insurance program. Information is available at each building site, through the school nurses or school counselors.

1:1 Initiative

Glenwood Community School District is excited to be able to offer our students a tablet / chromebook device for use at school or home. The 1:1 Initiative provides mobile, wireless technology to all of our students to enhance our instructional delivery.

Students are responsible at all times for the tablet / chromebook, whether at school or home. The parent or guardian will be responsible for compensating the school district for any losses, costs or damages to the tablet or chromebook. If you wish to have insurance on your child's tablet or chromebook you may do so by contacting your insurance agent. Parents can add the tablet or chromebook to their homeowners or renters coverage under the inland marine section of the policy. The deductible on the tablet or chromebook can be separate and lower from the deductible on the homeowners or renters policy. The premium on the policy is minimal compared to having to replace a tablet (up to \$199) or chromebook (up to \$249).

Chromebooks for 6th-12th grade students will be handed out on the first day of school. The students will be allowed to take the chromebooks home with them at the end of each day. We recommend charging the chromebooks each night and bringing them back to school the next morning. If you do not want your child to take his/her chromebook home each night, please notify the school office.

Tablets / Chromebooks will be issued to students in grades K-5 during the first week of school. Elementary students will have access to their Tablet / Chromebook only while in the classroom. The students will not be allowed to remove them from the building.

Suggested Chromebook and Nexus Tablet Vision Guidelines

- Children often have limited self-awareness. They will perform a task on their computer or tablet with minimal breaks causing focusing and eyestrain problems. A child viewing a screen with large amounts of glare will often not think about changing the surroundings or arrangement to achieve more comfortable viewing.
- Breaks should be built in to any lesson plan involving Chromebook or Nexus tablet use. Experts suggest that regular breaks relieve muscle tension. During the one minute break, the student should look at least 20 feet away (across the room or out a window) to relax the eye focusing and eye alignment muscles. These guidelines should be incorporated to any near activity, including reading, hand held games and cell phone use.

Age Recommendations

- Pre-K – 2nd grade: One minute break every 10 minutes
 - 3rd-5th grade: One minute break every 15 minutes
 - 6th grade and up: One break every 20 minutes
- Students that do not learn to take regular breaks are at risk of developing environmentally induced near-sightedness.
 - The distance between the child and the screen should be the length of the child's forearm to reduce eyestrain. The screen should be a few inches (15 degrees) below the child's eye line. Adjust the chair so the arms are parallel to the desk surface with the feet resting comfortably on the floor. The head should be balanced on the neck with no tilt forward or backward with his/her back straight and shoulders back.
 - It is important to be aware of signs and symptoms of vision problems such as red eyes, frequent rubbing of the eyes, head turns, unusual posture or complaints of blur, double vision or tired eyes. If the child avoids Chromebook/Nexus tablet work or school work, a vision problem may be suspected and a comprehensive eye examination is needed

Student Searches

School officials may periodically inspect all or a randomly selected number of lockers without prior notice. Any inspection of lockers shall only occur either in the presence of the student(s) whose lockers are being inspected or in the presence of at least one other person. A locker inspection may be accomplished by using such methods including, but not limited to, a visual search of lockers by school officials or the use by school officials or others hired at their direction, or a drug sniffing animal.

Parent Involvement

The Glenwood Community School District strives to provide an educational program designed to meet the needs, interests, and abilities of all students. To aid in the development of such a program we recognize that parental input is an important element in assisting the administration and staff as they plan and evaluate existing and future educational activities.

Opportunities for organized parent involvement are encouraged by the Glenwood Community School District. For information regarding parent involvement opportunities contact the specific school office or the Superintendent, Mr. Devin Embray at 527-9034.

Bad Weather - School Closings

The authorized officials of the Glenwood Community Schools attempt to notify **only** the following radio and television stations when making announcements about late starts, early dismissals and/or school closings:

KMA	AM Radio 960	FM Radio 99.1
KFAB	AM Radio 1110	
KCSI-FM & KOAK-AM	AM Radio 1080	FM Radio 95.3
KETV	Television Channel 7	
WOW	Television Channel 6	
KMTV	Television Channel 3	
KPTM (Fox 42)	Television Channel 42	

Authorized officials **do not** notify any other news media.

On occasion, because of busy telephone lines, it may be impossible for the school district to reach some of the above radio or television stations in a timely fashion.

SCHOOL MESSENGER

School Messenger is a quick alert messaging service that the Glenwood Community School District uses for emergencies, weather-related closures/delays, attendance and general communications such as important school announcements and e-news. School Messenger enhances the district's ability to communicate regularly with parents and staff in multiple languages using phone calls and e-mails.

If your phone and e-mail information is correct in Power School, you will automatically be signed up to receive phone / e-mail messages from School Messenger. If you have changes in your phone numbers or e-mails, please contact your student's building to have the information changed in Power School. These corrections will automatically be changed in School Messenger.

If you would like to have any phone numbers removed from School Messenger notifications, please fill out the form on the district's website (<http://glenwood.ia.schoolwebpages.com/schoolmessenger>). These phone numbers will not be removed from Power School, but you will no longer receive school messenger phone / e-mail messages on those numbers.

NOTE: If you would like to receive School Messenger notifications through text message, text the number 67587 with the words "Opt In" in order to receive important text messages from the Glenwood Community School District.

All parents will be enrolled in our School Messenger system once students are enrolled in our district. If you prefer to opt out of our notification system please fill out the form at this link:

Sportsmanship

The Glenwood Board of Education, administration, coaches and faculty appreciate the sportsmanship that has been displayed by the fans, students, and community in the past years. It is very important that this continue throughout the 2017-2018 school year.

Transportation Information

It is the goal of the Transportation Department to provide safe and efficient service to all students. In order to achieve our goal, parent support and student cooperation, is encouraged and appreciated. Additional information regarding the transportation department may be found on the school district's website – www.glenwoodschoools.org. Questions or concerns regarding school transportation, which are not addressed on the website, should be directed to Marcy Schroeder, Administrative Assistant, Julie Laudon, Secretary, Operations Department, or Dave Greenwood, Director of Operations, at 527-4116.

Please call 527-4116 or stop by the transportation table during registration to verify your transportation needs. During the school year, any changes to scheduled transportation **must be called in to both the Attendance Center and the Transportation Office.**

Morning Transportation Between Attendance Centers

Students can shuttle between any school in the morning on any bus provided they are at an attendance center no later than 7:45 a.m. Students should check with the driver before boarding to be sure they are going to the desired destination.

Afternoon Transportation Between Attendance Centers

A shuttle bus (#26) will be provided each afternoon to shuttle students between Northeast, West, Middle School and High School. The NE and West schools will be dropped off/picked up in the front of the school. The Middle School and High School will be dropped off/picked up in the back of the school. The schedule for this bus will be as follows:

- **NE to West** **3:20 – 3:30**
- **West to NE** **3:30 – 3:37**
- **NE to MS** **3:37 – 3:42**
- **MS to HS** **3:42 – 3:47**
- **HS to West** **3:47 – 3:57**

Please call the Transportation Department at 527-4116 for more details.

PM Transfer Point

In the afternoons, each school has a group of transfer buses assigned to them. All bus route students will take a transfer bus to the “transfer point”, which is located at the Middle School in the front lot. This does not include Middle School students, as they will be dismissed and taken by aides to the transfer lot once all buses have arrived and are safely parked. Students will then transfer to their “home” buses. Once all students have made the transfer, the buses will depart. School personnel will be on-site during the transfer to assist all riders to their designated buses. **Parents will not be allowed to pick up any student from the transfer point.** Once a student is on a bus, they will remain on a bus. All student pickup should be done at the school they attend.

In addition, Kid's Place and YMCA students from Northeast and West will be loaded onto assigned buses and be dropped off at Kid's Place or the YMCA prior to the buses going to the Transfer Point.

Bus Behavior

The bus ride is an extension of the classroom and students are expected to conduct themselves accordingly at all times when using school transportation. Failure to do so can jeopardize the safety of everyone on the bus, and can result in loss of transportation privileges. We encourage you to review the school bus "Safety Policy and Procedures" which can be found on the school website at <http://www.glenwoodschools.org/education/staff/staff.php?sectiondetailid=9437&>

NOTICE TO STAFF REGARDING VIDEO/AUDIO MONITORING

The Glenwood Community School District Board of Directors has authorized the use of video cameras or other video recording equipment on school district property and video cameras or other video recording equipment and audio recording equipment on school district buses. The recordings will be used to monitor student and staff behavior, to maintain order on the school property and school buses, and to promote and maintain a safe environment.

Staff members are hereby notified that the content of video and audio recordings may be used in a staff disciplinary proceeding. The content of the video and audio recordings may be confidential personnel records and may be retained with other personnel records. Video and audio recordings will only be retained if necessary for use in a student and/or staff disciplinary proceeding or other matters as determined necessary by the administration. Staff members may request to review video and audio recordings if the recordings are used in a disciplinary proceeding involving that staff member.

NOTICE TO PARENTS REGARDING VIDEO/AUDIO MONITORING

The Glenwood Community School District Board of Directors has authorized the use of video cameras or other video recording equipment on school district property and video cameras or other video recording equipment and audio recording equipment on school district buses. The recordings will be used to monitor student and staff behavior, to maintain order on the school property and school buses, and to promote and maintain a safe environment.

Students and parents are hereby notified that the content of video and audio recordings may be used in a student disciplinary proceeding. The content of the video and audio recordings may be confidential student records and may be retained with other student records. Video and audio recordings will only be retained if necessary for use in a student and/or staff disciplinary proceeding or other matters as determined necessary by the administration. Parents may request to review video and audio recordings of their child if the recordings are used in a disciplinary proceeding involving their child.

Use of Video Cameras on School Property (Board Policy 501.10)

The board supports the use of video cameras on school property, including buses as a means to monitor and maintain a safe environment for students and employees. The contents of the videotapes may be used as evidence in a student disciplinary proceeding.

Student Records

The content of the videotapes is a student record subject to board policy and administrative regulations regarding confidential student records. Only those persons with a legitimate purpose may view the videotapes. In most instances, those individuals with a legitimate educational purpose may be the superintendent, building principal, directors, teachers, school bus operator, special education

staff team, parent or parents and guardian. A videotape recorded during a school sponsored trip, such as an athletic event, may also be accessible to the sponsor or coach of the activity. If the content of the videotape becomes the subject of a student disciplinary proceeding, it may be treated like other evidence in the proceeding.

Notice

The district will annually provide notice to students and parents regarding the use of video cameras.

Student Conduct

Students are prohibited from tampering with the video cameras. Students found in violation of this regulation shall be disciplined in accordance with the school district discipline policy and shall reimburse the school district for any repairs or replacement necessary as a result of the tampering.

Asbestos Notification

The Asbestos Hazard Emergency Response Act (AHERA) is part of federal regulations which require school districts to inspect each school building for asbestos-containing building materials and to maintain an asbestos management plan.

The first asbestos management plan for the district was completed and filed with the state in October of 1988. Required three-year re-inspections have been conducted since then by the district's asbestos consultant. Copies of the management plan are located in the main office of each school building. The most recent inspection of all buildings, records, and management plans was conducted March 29, 2016 and was found to be in compliance with all EPA and AHERA guidelines.

The Middle School, Northeast Elementary, and Building 103 contain traces of asbestos and are maintained according to all federal and state guidelines.

In keeping with AHERA regulations, you are being notified of this information. If you have questions concerning asbestos in our school district, please feel free to contact Dave Greenwood, at 527-5661.

Every Student Succeeds Act – Parents'/Guardians' Rights Notification

Parents/Guardians in the Glenwood Community School District have the right to learn about the following qualifications of their child's teacher: (i) Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction. (ii) Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived. (iii) The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree. Parents/Guardians may request this information from the Office of the

Superintendent by calling 527-9034 or by sending a letter of request to the Office of the Superintendent at 103 Central, Suite 300, Glenwood, Iowa 51534.

The Glenwood Community School District ensures that parents will be notified in writing if their child has been assigned, or has been taught by a teacher for four or more consecutive weeks who is not considered highly qualified.

Student Directory Information (Board Policy 504.2) and Student Directory Information Notice (Board Policy 504.2N)

Parents who do not want their child's directory information to be given out and/or published must notify their principal in writing no later than September 15 of each school year.

Release of Information and Photographs

In the Glenwood Community School District, photographs or likenesses may be released without written consent unless qualified objectors comply with the following procedure.

If any parent or guardians of students under the age of 18, or students over the age of 18, object to this policy of releasing photographs or likenesses, they should contact the building principal in writing by September 15 (or within two weeks of the student's enrollment should it occur after this date). Address requests to Director of Public Information, Glenwood Community School District, 103 Central, Suite 103, Glenwood, IA 51534

Open Enrollment

Parents/guardians considering the use of the open enrollment option to enroll their children in another public school district in the state of Iowa should be aware of the following dates:

The deadline for filing an Open Enrollment Application for students in grades 1-12 will be March 1 of the school year prior to the open enrollment year.

The deadline for students entering Kindergarten will be September 1 of the school year of enrollment into Kindergarten.

If the resident district has a diversity plan, file the application with the resident district by March 1.

The Open Enrollment Application must be filed with the receiving district, as well as the resident district.

Parents/guardians of open enrolled students whose income falls below 160% of the federal poverty guidelines are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend.

For further details, contact Debbie Schoening at the central office at 527-9034 x 1000.

Zero Tolerance Guidelines

Fighting or Harassment

If there is a physical or serious verbal confrontation, an investigation will be conducted by the building administrator. If the building administrator determines that the above confrontation did occur and it could have further serious consequences, the law enforcement authorities will be notified. Law enforcement authorities will remove students from school property.

Substances (drugs or alcohol possession or usage including possession of drug paraphernalia) Students in possession or use of alcohol or drugs will be referred to the law enforcement authorities. Law enforcement authorities will remove the students from school property.

Tobacco and Nicotine Products Free Environment

Students will be referred to the law enforcement authorities when in possession of tobacco and nicotine products on school property or at a school activity. The law enforcement authorities will investigate at school and write a citation if warranted. For more information please see Board Policy 902.8.

Homeless Children and Youth

The McKinney Vento Act protects the educational rights of students experiencing homelessness.

Student in homeless situations have the right to:

- Go to school, no matter where they live or how long they have lived there.
- Get help enrolling and succeeding in school from the school district's liaison for the Education of Homeless Children and Youth. (Cindy Menendez, Special Education Director – 712-527-3034).
- Stay in the school they went to before becoming homeless or whatever school they were enrolled in last (called "school of origin"), even if they moved out of the district, if that is feasible. Students can stay in their school of origin the entire time they are homeless. Students can also finish the school year in their school if they find permanent housing during the year.
- Get transportation to their school of origin, provided or arranged by the school district, or a joint effort among school districts.
- Go to the local school in the area where they are living. The school must immediately let students enroll, attend classes, and participate fully in school activities, even if students do not have a parent or guardian with them or documents such as proof of residency, immunization records, other medical records, school records, or other documents. Once students are enrolled, the school must get records from the last school, and the liaison must help students get immunizations or immunization and medical records.

- Get a written explanation from the school district if the district refuses to send students to the school they choose, and have the liaison settle such disagreements.
- Have disagreements settled quickly and go to the school they choose while disagreements are settled.
- Get preschool services, free or reduced school meals, services for English language learners, special education, Title I services, vocational/technical education, gifted and talented services, and before- and after- school care, as needed.
- Go to school with children who are not homeless. Students cannot be separated from the regular school program because they are homeless.
- Get information and referrals from liaisons, including information about all available educational programs and how parents can participate, public notice about their rights, and referrals to health, mental health, dental and other services.
- Have the opportunity to meet the same high academic achievement standards as all students.

If a school does not follow the McKinney-Vento Act's requirements, you should:

- Call your local homeless liaison or State Coordinator for the Education of Homeless Children and Youth.
- Call the U.S. Department of Education's Education of Homeless Children and Youth Program at 202-401-0113.

Call for legal assistance. To find legal aid groups in your area, check www.lsc.gov/fundprog.htm or www.ptla.org/links.htm#services, or call your state bar association.
